The 25th Inter-Island Environment Meeting Isle of Man: 17th to 19th September 2025

I I E M 25 will be a celebration of 25 years of the Inter-Island Environment Meeting bringing together environmentalists, conservationists and other environmentally-minded people from the UK Crown Dependencies and across British Islands. The 25th event is being held for the first time in the Isle of Man after being set up and hosted in the Channel Islands for 24 years. The theme for I I E M 25 will be **Collaboration for Greater Impact**.

I I E M 25 will be held over three days at the Villa Marina in Douglas. The traditional I I E M will be held on the first two days, with an optional third day which will focus on designing conservation projects for corporate funding. See the outline schedule overleaf. The whole event will have a special 25th anniversary flavour!
